**Argentine Division**

**Buenos Aires, September 17, 2014**

**H.K.Ng MD**  
**Chairman, Education Committee.**  
**International Academy of Pathology.**

Dear Dr. Ng:

On behalf of the Argentine Division of the International Academy of Pathology we annex a full report -including financial details of the final disbursement of funds- of the expenses incurred at the international meeting held by the Argentine Division 2014 for which we received the funding support of the Education Committee.

“Annual Meeting on Practical Surgical Pathology” *In Memoriam* of Dr. Adonis de Carvalho was held in Buenos Aires, on October 11-12, 2014. The Faculty consisted of **Christopher Fletcher** (Brigham and women’s hospital, Boston), **Celso Lopes de Mello** (A.C. Camargo Cancer Center, Sao Paulo), **Antonio Nascimento** (A.C. Camargo Cancer Center, Sao Paulo), **Marie Robert** (Yale school of Medicine, Connecticut), **Bruce Smoller** (University Rochester School of Medicine and Dentistry, New York, **Fernando Soares** (A.C. Camargo Cancer Center, Sao Paulo) and **Isabela Werneck da Cunha** (A.C. Camargo Cancer Center, Sao Paulo).

At the Meeting the display of the IAP Logo appeared on brochures, programmes, banners, etc. and was organized with the Latinamerican Assembly of the IAP.

We are really very grateful for receiving the support of the IAP Education Committee which made it possible to support the above mentioned meeting which resulted in benefit of the South-American Pathologists Community.

Yours sincerely,

Liliana Graciela Olvi, MD  
President Argentine Division  
International Academy of Pathology.
