Buenos Aires, July 6th. 2016.-

H.K.Ng MD

Chairman, Education Committee.

International Academy of Pathology.

Dear Dr. Ng:

On behalf of the Argentine Division of the International Academy of Pathology we annex a full report -including financial details of the final disbursement of funds- of the expenses incurred at the international meeting held by the Argentine Division 2016 for which we received the funding support of the Education Committee.

“International Meeting of Hematolymphoid Pathology, Uropathology, Perinatal and placental pathology and Enviromental pathology” was hold in Buenos Aires, on May, 12-13, 2016.

The Faculty consisted of Dr. Fernando Soares (A.C. Camargo, Sao Paulo), Dr. Antonio Cubilla (Inst. de Patología e Investigación, Asunción), Dra. Carmen Gutierrez (Directora de Patología Pediátrica, Montevideo) and Dr. Diego Fridman (Enviromental Pathology, Argentina).

At the Meeting the display of the IAP Logo appeared on brochures, programmes, banners, etc. We have registered 184 pathologist (167 argentine (residents and seniors), 6 from Uruguay, 5 from Brazil, 3 from Paraguay, 2 from Bolivia and 1 from Chile.

We are very grateful for receiving the support of the IAP Education Committee that made it possible to support the meeting which resulted in benefit of the South-American Pathologists Community.

Yours sincerely,

Liliana G. Olvi MD
President Argentine Division
International Academy of Pathology.
