Speakers and programs:

Totally 10 speakers presented at this meeting

1. Syed Ali, Johns Hopkins University– cytology,
2. Lars Egevad, Karolinska Institute – uropathology,
3. Adrienne Flanagan, University College of London - soft tissue,
4. Lewis Hassell, Univ. of Oklahoma Health Sciences Center - education and lab management,
5. Anais Malpica, MD Anderson Cancer Center - gyn pathology,
6. Shahid Pervez, Aga Khan University Hospital - molecular pathology,
7. Aysegul Sahin, MD Anderson Cancer Center - breast pathology,
8. PuayHoon Tan, Singapore General Hospital - breast pathology,
9. Gary Tse, Prince of Wales Hospital - breast pathology,
10. Eunsil Yu, Asan Medical Center - liver pathology.

Program and selected photos are at the end of this document

Sponsors

1. The IAP Education Committee sponsored USD 5,000, used to defray part of the travelling cost of some speakers, as follows:
  - a. Syed Ali, 1,674
  - b. Lars Egevard, 800
  - c. Adrienne Flanagan, nil
  - d. Lewis Hassell, 1,200
  - e. Anais Malpica, 726
  - f. Shahid Pervez, 400

- g. Aysegul Sahin, nil
  - h. Puay Hoon Tan, 200
  - i. Gary Tse, nil
  - j. Eunsil Yu, nil
2. The Ho Chi Minh City Cancer Hospital supported the local expenses for 9 speakers
  3. The Pathological Society (UK) supported Adrienne Flanagan (airfare and local expenses).
  4. The ISUP and ISBP were nominal sponsors.

Adrienne Flanagan, UK

Lewis Hassell, USA

Anais Malpica, USA

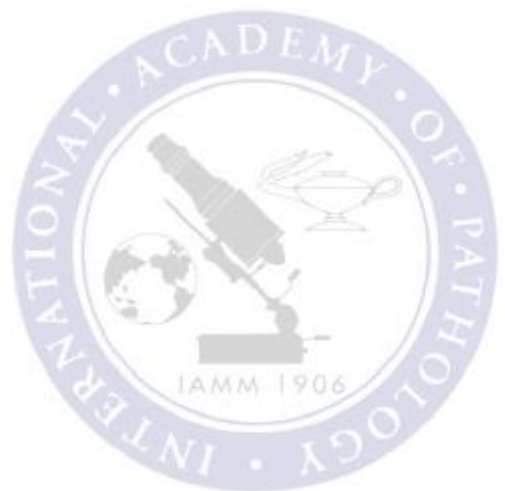

Shahid Pervez, Pakistan

Aysegul Sahin, USA

Pauy-Hoon Tan, Singapore

Gray Tse, Hong Kong, China

Eunsil Yu, Korea

# The Diagnostic Pathology Update and Junior Academy - HCMC Meeting

Ho Chi Minh City Oncology Hospital, Vietnam

## FINAL PROGRAM

<b>Friday, 29 November 2013, Pathology Department</b>	
09:00 - 09:45	
<b>Monday, 2 December 2013, Hall D</b>	
08:00 - 08:45	Registration
08:45 - 09:00	Opening remark
09:00 - 09:45	Pathology of fibroepithelial lesions – <i>Dr Puay-Hoon Tan</i>
09:45 - 10:30	Immunohistochemistry in differential diagnosis of breast lesions – <i>Dr Gary Tse</i>
10:30 - 10:45	Tea Break
10:45 - 11:30	Breast cancer prognosis including molecular testing – <i>Dr Puay-Hoon Tan</i>
11:30 - 12:15	The breast: Case presentation – <i>Dr Puay-Hoon Tan</i>
12:15 - 13:15	Lunch
13:15 - 14:00	Cytology of thyroid – <i>Dr Syed Ali</i>
14:00 - 14:45	Cytology of salivary glands – <i>Dr Syed Ali</i>
14:45 - 15:00	Tea Break
15:00 - 15:45	Cytology of serous cavity effusion – <i>Dr Syed Ali</i>
15:45 - 16:30	Cytology: Case presentation – <i>Dr Syed Ali</i>
16:30 - 16:45	Tea Break
16:45 - 17:30	Lymphoma diagnosis made easy – <i>Dr Shahid Pervez</i>
17:30 - 18:15	Modern Immunohistochemistry – <i>Dr Shahid Pervez</i>
18:15	Photo taking and welcome dinner
<b>Tuesday, 3 December 2013, Hall D</b>	
08:00 - 08:45	Diagnosis of prostate cancer – <i>Dr Lars Egevad</i>
08:45 - 09:30	Gleason grading – <i>Dr Lars Egevad</i>
09:30 - 10:15	Pathology laboratory management issues made easy – <i>Dr Lewis Hassell</i>
10:15 - 10:30	Tea Break
10:30 - 11:15	Pre-neoplastic lesions of the breast – <i>Dr Aysegul Sahin</i>
11:15 - 12:00	In situ carcinomas of the breast and The Breast: Case presentation - <i>Dr Aysegul Sahin</i>
12:00 - 13:00	Lunch
13:00 - 13:45	Reporting soft tissue tumours - a practical approach I – <i>Dr Adrienne Flanagan</i>

<b>Tuesday, 3 December 2013, Hall D (Cont'd)</b>	
14:45 - 15:30	Lecture on gynaecological pathology (topic to be confirmed) – <i>Dr Anais Malpica</i>
15:30 - 16:15	Lecture on gynaecological pathology (topic to be confirmed) – <i>Dr Anais Malpica</i>
16:15 - 16:30	Tea Break
16:30 - 17:15	Liver biopsy interpretation: differential diagnoses of hepatocellular nodular lesions – <i>Dr Eunsil Yu</i>
17:15 - 18:00	Liver biopsy interpretation: differential diagnoses of hepatitis – <i>Dr Eunsil Yu</i>
<b>Wednesday, 4 December 2013, Pathology Department</b>	
08:00 - 08:45	Digital Pathology – <i>Dr Lewis Hassell</i>
08:45 - 09:30	Uropathology: Case presentation – <i>Dr Lars Egevad</i>
09:30 - 10:15	Gynaecological pathology: Case presentation – <i>Dr Anais Malpica</i>
10:15 - 10:30	Tea Break
10:30 - 11:15	The Breast: Case presentation – <i>Dr Gary Tse</i>
11:15 - 12:00	Liver: Case presentation – <i>Dr Eunsil Yu</i>
12:00 - 12:45	Lunch
12:45 - 14:00	Soft tissue: Case presentation – <i>Dr Adrienne Flanagan</i>
12:00 - 14:45	Surgical pathology slide presentation – <i>Dr Shahid Pervez</i>
14:45 - 15:15	Tea Break
15:15 - 15:30	Surgical pathology slide presentation – <i>Dr Shahid Pervez</i>
15:30 - 16:00	Surgical pathology slide presentation – <i>Dr Lewis Hassell</i>
